

# Code Update

This course meets the core requirements for working Fire Officials and working Fire Inspectors as part of their three - year renewal cycle for re-certification. This seminar was updated in Fall 2023. The course will cover the current adoption of the IFC NJ 2018 edition. It will include a review of significant changes from the IFC NJ 2015 edition. There are also 3 new chapters, each of which will be overviewed. This course will touch on select topics in the Administrative code of the New Jersey Uniform Fire Code Chapter 5:70 as well as 5:71.

## **Instructors:**

Daniel Timmerman, Robert Lenox, and/or Timothy Paar;
